

BRAND NEW

Kam Islands is a brand new destination with empty beaches on untouched islands. The islands are located north of Khaolak close to the mainland. That guarantees a comfortable boat ride in any kind of sea conditions. Our ride takes us through a fantastic mangrove scenery on the way to one of the last untouched archipelagos of Thailand.

KAM ISLANDS OFF THE TOURIST TRACKS

Pickup from your Hotel around 07:30am
Departure from our Marina by speedboat at 09:00am
Arrival at our Marina around 05:30pm

After a gorgeous boat ride through the mangroves protected from the waves we will stop for snorkeling. Next stop Yipun or Japanese Island famous for the pearl oyster business in the past. Relaxing time on the pristine beach of the island. Khao Kwai Island is one of the highlights of the tour. A stunning lagoon and amazing beaches located on this island. Our place for a picnic lunch on the beach with delicious Thai food, swimming and sunbathing. Khang Khao Island is the next stop of our tour. One more pristine beach with a coral reef in front for snorkeling. Next is Kam Nui Island with one more deserted beach for relaxing, sunbathing and swimming.

This trip is for beach lovers and sun worshippers recommended. Snorkeling is average.
